## WORK EXPERIENCE

Currently, I am serving as the Vice Chancellor of Sri Sri Aniruddhadeva Sports University, a State University located in Chabua, Dibrugarh, Assam. With a career spanning over four decades in academia, I have held various positions, starting from Assistant Professor to my current role as Vice Chancellor. In 2020, I had the honor of being appointed as the founding Vice Chancellor of the Sports University by the Government of Assam. Under my leadership, I successfully established the university from the ground up, ensuring its operational readiness within a mere six months of its inception.

Throughout my professional journey, I have played a significant role in advancing the field of sports research. Notably, I pioneered the development of Sports Statistics as a distinguished academic discipline within the country. My contributions extend to the realm of published work, with numerous books on research methods and statistical techniques accredited to my name, published in collaboration with renowned publishers such as Wiley, Blackwell, Springer, and McGraw Hill.

One of my noteworthy achievements is the introduction of an innovative pedagogical approach. This approach empowers Ph.D. scholars to enhance their proficiency in applied statistics and research methods through self-directed learning mechanisms. Furthermore, I have overseen Ph.D. programs at the university, leveraging my expertise to guide aspiring scholars for several years. My journey is a testament to my commitment to education, research, and academic leadership. I am dedicated to furthering the development of higher education and fostering a culture of excellence and innovation.
