

Visit of Prof.J.P.Verma to Qatar University, Doha as a resource person for conducting First Global Training on Research Designs and Data Analysis for Empirical Researchers

(17-18 February 2016)

http://www.qu.edu.qa/global_training_2016/speakers.php

Visit Sponsored By: Qatar University, Doha

Prof. J.P.Verma was invited by the “Office of the Faculty and Instructional Development and Department of Mathematics, Statistics and Physics, College of Arts and Science, [Qatar University](#)” for acting as a resource person to conduct sessions on research designs and data analysis for the research scholars and faculty during 17-18 February 2016. During two days programme four sessions were conducted by Prof. Verma. The topics included understanding research data, regression analysis, design of experiments and repeated measures designs with SPSS. This visit was sponsored by the Qatar University Doha.

Glimpses of Qatar University Visit

Prof. Verma conducting sessions during the workshop

Prof. J.P. Verma with host Dr. Abdel Salam Gomaa

Happy moments during workshop

Dear Prof. Verma,

The Office of Faculty and Instructional Development and the Department of Mathematics, Statistics and Physics, College of Arts and Sciences at Qatar University, are pleased to invite you to participate in the “*Global Training on Research Designs and Data Analysis for Empirical Researchers*” that will be held on February 17-18, 2016 at Qatar University.

The Global Training event purposes for this year will be the following:

- Acquainting participants in using different statistical techniques in analyzing their research data.
- Acquainting participants about various considerations in designing an experimental study.

Your expertise and experience in the field of research designs and data analysis will be an excellent addition to our Global Training event as Qatar University faculty members look forward to learning from your work and sharing experiences on this important topic.

More details on the training schedule are available on the attached file. Kindly note that your stay at Qatar university is arranged to be from February 15, 2016 to February 20, 2016. For further information on the training, please contact the chairman of the organizing committee **Dr. Abdel-Salam Goma** at abdo@qu.edu.qa.

We look forward to a positive confirmation.

Sincerely,

Dr. Arslan Ayari

**Director of the Office Faculty and
Instructional Development**

Dr. Leena A. Al-Sulaiti

**Head of Department of Mathematics,
Statistics & Physics**
